**The Village Hall
Winterborne Whitechurch
DT11 0AW**

Free entry but donations welcome to cover costs

Tel: Jean 01258 450 391

This is all about having some fun so why not give it a go?

Line dancing is COVID friendly as you dance at a distance.

Don't worry about getting it wrong as we all do that, and you will get better.

Footwear should ideally be leather soled shoes or boots. NOT high heels and not proper trainers.

Trainers with composite soles may be fine as you want to be able to pivot on the soles of your shoes from time to time. Don't go buying anything special as the first dances taught will have very little in the way of spins and you probably will not need them anyway.

Run by the Milton Abbas Surgery Wellbeing Team
